2. Managing Project Delivery (MPD) Scoping Process

If the work at the start of a task is for the development of the Scope of Work, the Managing Project Delivery (MPD) process shall be used. For invoicing purposes, the MPD process

includes only the work done by the prime and sub-consultants on the actual scope of work. Estimate preparation, negotiations (if needed) and final task amendment assembly are not payable items by the STATE. In addition, none of the MPD Scoping Process payable items are fee eligible.

The MPD Scoping Process is further described and charted in Exhibit A, Attachment 1 and Exhibit A, Attachment 2, attached hereto and by this reference made part of this AGREEMENT. Steps 9 through 13 on Exhibit A, Attachment 2 are not payable items.

If additional work is requested on a task that is not in the original Scope of Work, the CONSULTANT shall notify the STATE of this situation immediately such that appropriate actions may be taken.

3. Premium Overtime

If the STATE deems it in its interest for the CONSULTANT to perform work on a premium overtime basis, it may authorize such action in the applicable Formal Task Order Documents, or in a subsequent authorization letter to the CONSULTANT. Overtime premiums shall not be burdened with overhead and fee when invoiced.

4. Meeting Notice Requirements

The CONSULTANT shall attend coordination, progress, and presentation meetings as discussed in Section III and as requested by the STATE. A minimum of four (4) hours advance notice of such meetings shall be required to be given to the CONSULTANT by the STATE.

5. Long Term Field Personnel

Long-term field personnel, for this ORIGINAL AGREEMENT, are defined as CONSULTANT employees working in STATE offices for longer than two (2) months' duration. If and when such tasks are authorized under this ORIGINAL AGREEMENT, the field personnel shall be charged to the STATE at Field Rates, and support staff at the CONSULTANT's office shall be charged to the STATE at Home Rates. When the first task of this kind is authorized under this ORIGINAL AGREEMENT, all tasks currently open will have staff working at the CONSULTANT's office changed from Corporate Rate to Home Rate. However, it is not intended that the change from Corporate Rate to Home Rate be retroactive to the beginning of any task. It is only intended to begin at the time the first long term field personnel are authorized on a task. The Field Rate, if tables are not provided at the beginning of the ORIGINAL AGREEMENT, will be determined at the time the request is made to the CONSULTANT for the personnel.
